INTUITIVE

Encourager (Is)

Kaelia is likely to be inviting, enthusiastic, and talkative. They often seeks social interaction and frequently engages others in conversation. They love getting to know new people, but also likes to invest deeply in their existing friendships.

Cooperative

Approachable

Intuitive

Behavior

Preferring to work in groups

Creating enthusiasm for projects

Celebrating shared victories

Considering social events a high priority

Energizers

Positive verbal recognition

Sharing personal stories

Engaging conversation

Feeling accepted

Drainers

Working alone for too long

Negative feedback from others

Feeling ignored or rejected

Feeling excluded from events

Strengths

Solving problems by involving others in open discussion

Showing optimism in most situations

Enthusiastically supporting other people

Enthusiastically entertaining those around them

 **Blind spots**

May keep unpopular opinions to themselves to avoid conflict

May lose objectivity by becoming friendly and involved with others

Sparing others' feelings when honesty is necessary

Moving on from an idea before it is even complete
